Mid-Term Capstone Presentation Rubric: **10 pts** (3/4 & 3/11 in class group discussion. Must include uploads by the Monday before you present, demonstrable progress, and two page statement of purpose/introduction -- expanded from version #1).

1) Presentation should show progress in terms of work you have completed since your last presentation. You should not be showing the exact same images or simply restating the work completed for the last presentation. Please <u>review your timeline</u> and be sure you are on track. (5 points)

2) The two page papers should be handed in on March 11th (a week from this coming Thursday). They should include a copy-edited first page that was your one-page February submission (which you can build on for a second page). OR, the may be entirely new if your project has changed or if there were substantial issues with your first writing. These pages MUST BE COPY-EDITED for speling, grammar and readability. (5 points)
